MADE 4 YOU

NIMCO MADE FOR YOU

This is a story about
people. More people than
you can ever imagine.
This is not about everyone,
this is about each one.

All different, all special, some are sleepy, some are
messy, some are growing up.
We know them all. Sarah, Frank... Here, every foot
has a name. Here, every foot has a footprint.
We make shoes just for you. You know us.

WE WERE MADE FOR YOU

Innovation, identity, and future in custom-made
orthopaedical footwear.

Because each story is unique.

This is a story about each one of us and the way we
get to places we want to conquer. It is about our
journey, through adventures and mishaps. It is the
story of the way we challenge obstacles and how we
manage to overcome them, step by step.

This story is about every gesture for a sustainable
world, it is about you.

LILLY BOA

A man and a woman are hiking on a rocky, uneven terrain. The man is on the left, wearing a dark jacket over a light-colored shirt and dark pants. The woman is on the right, wearing a long, quilted green parka over a white hoodie and light-colored pants. They are both smiling and looking towards the camera. The background consists of large, light-colored rocks and some sparse vegetation. The lighting suggests it is either early morning or late afternoon, with a warm, golden glow.

WOMAN
COLLECTION 2021-2022

Sometimes, the future is right back at the start.
Back to the essence of things.

What is really important in a shoe?

Comfort fit and function.
And this is the reason we created Infinity.
It is not new, it is necessary.
It is not avantgarde, it is a classic.

In 100 years, this line style will still look smart and timeless.
Hence, its name: Infinity.
